Description

Embark on a dreamy tour that promises unforgettable memories as you explore some of the most iconic and photogenic beaches in Northwest Crete.

Balos Lagoon is a true gem and one of Greece's most breathtaking destinations. Its unique beach, adorned with sea shells and surrounded by crystal-clear waters, invites you to swim in a setting so surreal, it feels like a dream. Departing from Chania harbor, we glide through secluded bays and arrive at Balos before the arrival of large ferries, ensuring a peaceful and serene experience in the stunning blue lagoon.

Next, we set sail for **Gramvousa island**, home to the impressive Venetian castle built in 1579. For those seeking adventure, an optional 20-minute walk leads to the castle's highest point, offering panoramic views of Balos Lagoon and the surrounding landscape. You can also take a dip in the island's pristine waters before we continue our journey.

On our return, enjoy the awe-inspiring scenery of the Rocky Mountains and stop at **Menies beach** for a swim in a hidden and picturesque cove. We conclude the tour at **Theodorou island**, a protected park known for its wild Cretan Ibex ("Kri-Kri") offering an ideal final swim in an unspoiled environment.

Charter our Wellcraft Scarab Excel 31" 850hp Powerboat and enjoy the freedom and comfort of a full-day private tour. Let our experienced skipper craft an unforgettable adventure, guiding you to exclusive locations with crystal-clear waters. Travel in sporty, high-class style, break free from ordinary boat tours, and discover the hidden gems of Northwest Crete's pristine seas.
