Get ready to enjoy the best panoramic views and take breathtaking photos, discover local products such as scrumptious food and excellent wine. Our experienced drivers/escorts will offer you an unforgettable experience of the island's culture and indulge all your interests.

Your day begins upon pick up from one of the designated points (your hotel or a meeting point as close as possible to your accommodation or cruise port). On our first stop we will reach the highest point of the island situated 567 meters above sea level, the mount of Profitis Ilias, which offers a panoramic view of the entire island and therefore, allows you to take the most amazing pictures. Next stop is the Venetsanos Winery famous for its unique location, high quality wines and service. Here you will discover the Santorinian art of winemaking with a tour accompanied by a wine tasting experience. We continue following a route to Caldera side where we park our car and a short walk of ten minutes lead us to the "heart" of Santorini. A secret spot with amazing panoramic view of Caldera and a hole in Rock with a shape of heart where we can have the most memorable photos. Continuing our route we will head towards Theros, where you will be able to admire Santorini's unique geological formation, the black sand beach and the crystal clear sea waters. Passing through some local villages we will stop at the black sand beach of Perivolos for lunch at one of the best restaurants of Santorini. The authentic local tastes accompanied by local wine and unique sea views will help you relax and enjoy your meal.

Ending our day, we will drop you off at your hotel (or original meeting point) hopefully leaving you with the gift of memories. The well-trained escort-drivers of Uncharted Escapes will be at your side at all times to assist you in everything you may need and make this a memorable day.
